

**As writers, we will:**

- Explore a fiction text as we start our new class story 'George and the Dragon.'
- Embed dialogue within our writing looking at the correct punctuation.
- Use WOW words to ensure our work is interesting.
- Identify compound words and use them in our writing.
- Evaluate our own work, enabling us to make the needed edits to improve.

**As artists we will:**

- Develop a wide range of art and design techniques, using colour texture and shape.
- Produce creative work using our own ideas.

**As designers we will:**

- Design and create a device which could help improve one of our senses.
- Evaluate our work, identifying what went well and what we could change for next time.

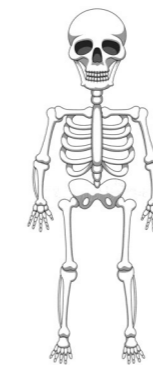

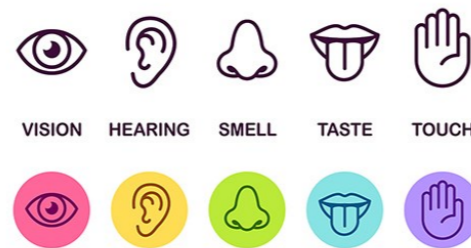

**As scientists we will :**

- Understand the importance of healthy eating and exercise.
- Create a meal and exercise plan fit for purpose.
- Explore organs within the body and explain their functions.
- Identify and create a simple food chain.
- Explore the differences between animals and humans.

## GFS High Performance Learning Skills

We are all super in our way! Sometimes we just need a little help to see our super powers. Come and join us on our fantastic journey where we will be exploring our bodies and how we can keep them healthy. We will also be identifying our senses and seeing if we could enhance any. We are going to have so much fun!

**As readers, we will:**

- Be exploring 'Flat Stanley' written by Jeff Brown.
- Use key information from the text in order to answer comprehension questions effectively.
- Link our own experiences with clues from the book and make accurate predictions.
- Develop our fluency skills as we continue to read texts from a range of genres.

**As mathematicians, we will :**

- Look at fractions and focus on finding quarters and halves.
- Learn number facts in order to help efficiently solve calculations.
- Be using mental strategies to solve addition and subtraction calculations.

**As geographers we will:**

- Explore human impact on the world and identify what people do to spoil and area and see how people can make an area better.

**As citizens' of the UAE we will:**

Be identifying what makes everyone an individual as we focus on our core values dedication and patience.

### Opportunities for Enrichment

School	Home
We will be celebrating Eid with lots of fun activities.	Ready Steady Cook. Can you make your favourite traditional meal at home and share with your friends?

### GFS Curriculum Drivers linked to the National Agenda

Enterprise and Innovation	Eco and Environment	Inclusive Communities
As enterprising children, we will design a devise which will help improve one of our five senses.	As people concerned with the environment, we will identify how we can look after our country.	As members of a community, we will explain how to care for our school community.
