

Term	Week	Focus	Summary	Learning Outcomes
Term 1	1	Baseline Task	Introduction to Formal elements of art	Develop understanding of elements of art
	2	Baseline Task	Demonstration and understanding of all Art Elements through practical application.	To develop use of tone to create drawings with 3D elements.
	3	Baseline Task	Creative exploration of elements of art	To develop use of tone to create drawings with 3D elements.
	4	Insect drawing	Step by step drawing with basic shapes	Develop secondary observational drawing
	5	Insect half & half detailed drawing	Apply scale & measurement techniques	Apply critical thinking skills to analyze the application of symmetry in textural patterns.
	6	Insect half & half detailed drawing	Develop understanding of symmetry	Develop use of symmetry
	7	Insects with Mark making	Develop understanding of shading techniques	To understand the importance of mark making when drawing using biro pen.
	8	Insects with Mark making	Develop understanding of shading techniques	To understand the importance of mark making when drawing using biro pen.
	9		Artist inspiration- Millie Marotta	Develop Artist Research skills
	10		Textural patterns & symmetry	Draw with creative application of shape patterns and actively attempt to connect it to technique of artist Millie Marotta.
	11	Zentangle Patterned Insects	Textural patterns & symmetry	Apply scale, measurement techniques and understanding of formal Art Elements.
	12		Detail & tonal shading	Identify and apply pattern making technique in artists work.
	13		Pattern making technique	Self-evaluate work in terms of pattern making technique.
	14			Self-evaluate work in terms of pattern making technique.
