

Key Stage 3 Curriculum Map 2021-22

Term 2

Subject: Physical Education		Year Group: 8		
Week/Date	Boys Objective	Girls Objective	Key Skills/UAE Links	Home Learning/Resources
11 th April – May 13 th	<p>Cricket- In this unit pupils focus on accurate replication & further developing, implementing and refining techniques for batting, bowling and fielding. Pupils will further work on the skill of outwitting opponents. In striking and fielding games, players achieve this by striking the ball so that fielders are deceived or avoided, and then running between wickets or around bases to score runs. Pupil should begin to accurately umpire games.</p>	<p>Rounders - In this unit pupils focus on accurate replication & further developing, implementing and refining techniques for batting, bowling and fielding. End of Year

UAE Links across the term

Within the PE department, we are encouraging students to be more aware of the Islamic values and to gain a deeper understanding of how they can be demonstrated in their PE lessons and Sport.

We use a 'values point' system that encourages students to consider how their opponents demonstrated Islamic values within a game setting, rather than just focusing on the score of the match. Students can gain points for demonstrating different values throughout the activities we offer and our aim is for them to make connections with the wider community, linking sporting examples to everyday life scenarios.

PE Positive Postcard

Just a note to say...

Positive PE Postcards

When students demonstrate their understanding of an Islamic value either through sporting activities in PE or in extra-curricular activities, we reward them with 'Positive PE Postcards'. The postcards are a reward for our students when they exhibit their understanding and practical application of an Islamic value.
