

ART – 8 YEAR - TERM 1.1

I CREATE

1. I can draw inspiration from Amber Moran's watercolour artwork to create my underwater work
2. I can present a detailed and proportionate image in watercolour technique and pen
3. I can combine watercolour and biro pen to create my underwater artwork
4. I can display understanding of Principles and Elements of Art by creatively combining two mediums

I PRACTICE

1. I can apply different tones in painting images with watercolour
2. I can create detailed lines using a pen to enhance my images
3. I can apply elements of Art (line, form and colour) to create my images inspired by underwater theme
4. I can apply watercolour techniques in creating my artwork

I LINK

1. I can identify Amber Moran's artwork and use her work as source of inspiration
2. I can combine different mediums to create texture in my artwork
3. I can use aquarium centres and waterparks in UAE for better presentation of my underwater work
4. I can use available resources to create an artwork in underwater theme

I EVALUATE

1. I can give constructive peer to peer feedback guided by the principles and elements of Art
2. I can analyse my work and give critique in areas of improvement
3. I can highlight areas of achievement in my artwork guided by the theme and use of mediums
4. I can confidently use the mediums provided to create my artwork

I READ

Theme: Underwater
Artist: Amber Moran
Combining Watercolour and pen

- Different types of watercolour techniques (blending, splatter)
- Pen Drawing
- A study of Amber Moran artwork via Youtube and written content

I LEARN

- Watercolour techniques
- Amber Moran's artwork as a source of inspiration for the underwater theme
- Application of pen drawing
- Application of different mediums to create an artwork
