

French, Year 8 - TERM 1.1

I LISTEN

- I can develop my listening skills through verbal repetition of key words and phrases throughout the lesson.
- I can listen to native speakers talk about their favourite sports and I will extract specific information to check for understanding of key words.
- I can listen about others talk about their ideal towns and what you can do there.
- I can use listening skills to help retain new vocab and help practice my pronunciation of words in the target language.
- I can use listening skills to listen to others talk about their future plans.

I SPEAK

- I can develop my speaking skills by doing peered speaking tasks by asking and answering specific questions related to each topic.
- I can learn how to formulate questions in French and develop my answers to achieve fluency.
- I can speak about the sports I like/dislike to play and do.
- I can use prepositions to say where objects in my room are.
- I can express opinions about my weekend plans using the near future tense.

I READ

- I can use reading comprehensions in each topic to extract key words and to understand how to form sentence structure in French.
- I can use reading texts as a model to structure my writing.
- I can read out loud in lesson to recognise cognates to help build my vocabulary bank.

I WRITE

- I can write a short description about the sports I like/dislike to play and do and give opinions and reasons.
- I can describe what rooms are in my house and use prepositions to give details about what is in each room.
- I can write about what you can do in my town.
- I can use the conditional to talk about what my ideal town would be like.
- I can use the near future tense to talk about my future weekend plans using a variety of time phrases.

I READ
