

MSC YEAR 9 - TERM 1.1

I ANALYSE

(Interpreting, comparing, understanding causes and effects)

1. I can ask questions about how civilisations developed.
2. I can find out how different cultures express themselves through art.
3. I can question how colonialism affected people's lives.
4. I can think deeply about equality and belonging.

I COMMUNICATE

(Expressing ideas clearly and listening to others)

1. I can sort facts and opinions.
2. I can explain why something is important in history.
3. I can think through problems and solutions.
4. I can describe causes and effects in the past.

I LINK

(Connecting ideas and making sense of new knowledge)

1. I can speak or write about what I've learned.
2. I can describe ideas clearly to my classmates.
3. I can make a short speech or presentation.
4. I can use creative ways to share my learning.

I COLLABORATE

(Working with others and being responsible in a group)

1. I can take part in group projects about African culture.
2. I can share the work fairly with my group.
3. I can show respect for ideas and traditions that are different from mine.
4. I can contribute to class discussions on community and values.
