

# MSC YEAR 9 - TERM 2.1

## I ANALYSE

*(Interpreting, comparing, understanding causes and effects)*

1. I can analyse the main geographical features of North America.
2. I can explore the history and achievements of Indigenous peoples.
3. I can evaluate the role of the Majlis in shaping modern UAE governance.
4. I can analyse how European colonists settled in North America and their impact.

## I COMMUNICATE

*(Expressing ideas clearly and listening to others)*

1. I can describe key natural and human features of North America.
2. I can clearly present the cultural contributions of Indigenous groups.
3. I can discuss how the Majlis supports consultation and consensus.
4. I can explain colonial motivations and strategies using evidence.

## I LINK

*(Connecting ideas and making sense of new knowledge)*

1. I can connect Indigenous ways of life to their environment.
2. I can relate social structures of Indigenous groups to modern societies.
3. I can link traditional governance practices to the UAE's modern identity.
4. I can connect colonial actions to long-term changes in North America.

## I COLLABORATE

*(Working with others and being responsible in a group)*

1. I can work with peers to analyse maps, sources, and case studies.
2. I can collaborate to research Indigenous cultures and achievements.
3. I can participate in role-play and group discussion about the Majlis.
4. I can support my group during research on colonial settlements.
