SHAKING WITH CHILLS

NEW LOSS OF  
TASTE OR SMELL

everyone™

If you have a temperature of **37.5°C** or above, **stay at home**

If you have **COVID-19** related symptoms, **stay at home**

The **stay at home** policy applies to staff, students and parents

“Parents must check their child’s temperature before leaving home in the morning. A policy of ‘staying at home if unwell or present a temperature of more than 37.5°C,’ will be enforced for students, teachers and school staff.”
